

The background of the image is a repeating Art Deco pattern. It consists of a grid of stylized, fan-like motifs. Each motif is composed of numerous thin, radiating lines that form a semi-circular shape, resembling a peacock tail or a fan. The motifs are arranged in a regular, repeating pattern across the entire page. The color palette is dark, with the pattern rendered in a light gold or beige color against a dark, almost black background. The overall aesthetic is classic and elegant, characteristic of the 1920s-1930s Art Deco style.
